

REMARKS

This Replacement Amendment is presented to replace the claims sections of the amendment filed February 2, 2006, which the Legal Instruments Examiner found to be non-compliant as stated in the Notice of Non-Compliance mailed February 9, 2006.

The Notice requested that the claims section of the amendment of February 2 was defective, because a complete listing of all the claims was not presented. Reference to canceled claims 1 through 39, and 42 through 52, is added in this replacement section.

Applicant respectfully submits that this Replacement Amendment is in proper form, and reconsideration of this application is again respectfully requested.

The Examiner is encouraged to call the undersigned if any further questions remain or otherwise arise regarding this application.

Respectfully submitted,

Rodney M. Anderson
